THE Shelbyville Commercial says the soundness of the Democracy of the Columbia Herald is but a shade better than that of the Nashville Banner, Memphis Avalanche, and Jackson Courier. If we mistake not, the ported Andrew Johnson in the campaign last year, in opposition to the regular nominee of the Democratic party, Gen. Cheatham, whom the Columbia Herald supported, and who was defeated on account of the opposition of the Commercial and other Democratic papers. And yet Mr. Russ assumes to criticise our fealty to the Democratic party!

THE United States Senate has not yet confirmed the appointment of G. enough. H. Williams for Chief Justice of the Supreme Court, and so great is the opposition manifested on the part of some Radical Senators, it is thought he will not be confirmed, although GRANT is log-rolling energetically. WILLIAMS is so lamentably incompetent that even extreme partisans are opposed to his appointment. His decision in the Louisiana case is enough to condemn him as the blindest of partisan tools.

COMPANY.

This Company is now one of the established institutions of the State. Having passed through the day of doubtful existence, it stands on assure a foundation as that of any similar Company in the country. Among the causes that have largely contributed to its success are the following:

First. It guarantees all of its policy-holders the amount of the cash surrender of each policy, after two or three annual premiums shall have been made.

Second. It loans to its policy-holders nine-tenths of the cash value of each policy for any period for which the premium may have been paid.

Third. It indorses on each policy the amount of paid-up insurance that can be had on its surrender, after the payment of two or three annual premiums. or three annual premiums.

Fourth. Its rates are as low as those of any other Company.

Fifth, Its dividends have been larger than Fifth, its dividends have been larger than hose of any other Company of its age.

Sixth. Its policies contain no unnecessary or illiberal restrictions.

Seventh. It adds in building up our home interests, investing its large means here Eighth. It does not require permits to live or travel anywhere.
